

NEW NILEDUTCH PORT CALL FROM/TO WALVIS BAY

NileDutch is expanding by connecting Walvis Bay with the world.

The port call to Walvis Bay - Namibia will be offered on fortnightly basis on our feeder service from/to Luanda.

We not only connect Walvis Bay with Europe, East Mediterranean, US East Coast, South America, Asia but also to West-Africa.

To support our customers and provide the NileDutch service you are used to receive, we have appointed a new dedicated agency in Namibia, Kestrel Global Logistics (PTY) LTD.
